# Chapter 1

## Introduction

Let us get started by citing Manning and Schuetze [1999]! So what did Manning and Schuetze do in 1999? Good question! Maybe it is answered in chapter 1 on page 1? Just to have something show up in the list of figures, I included Figure 1.1. This date does not exist: Feb. 30, 2014 and is the same as February 30, 2014. And here is some table with some numbers (Table 1.1) which deserves to be on an extra page.

**Figure 1.1:** The first letter in the Roman alphabet.

**Table 1.1:** Tables have their captions above, figures below.

| Some numbers      |      |      |      |
|-------------------|------|------|------|
|                   | 1999 | 2000 | 2001 |
| Distance (km)     | 23   | 18   | 42   |
| Awesomeness (aws) | 3.2  | 8.1  | 2.4  |
